Reply to Office Action of October 20, 2004

REMARKS/ARGUMENTS

Claims 32-70 remain in this application. Claims 1-31 have been cancelled.

Claims 32-70 have been added.

Applicant requests that any previously filed unentered amendments not be entered.

Applicant requests that the Examiner contact the Applicant prior to issuance of the next Office Action.

Detailed Action and Claim Rejections

Applicant has cancelled claims 1-31 and added claims 32-70 to define patentable subject matter more accurately and succinctly, and make the language thereof clearer.

Applicant has cancelled claims 1-31, which were the subject of the Examiner's claim rejections under 35 USC § 103, discussed under Detailed Action by the Examiner, thus, making the Examiner's rejections moot, making individual arguments by the Applicant with respect to each of the Examiner's claim rejections unnecessary and unwarranted.
